# HUMPHREY'S BAR

*Humphrey's Bar is named after Captain Humphrey of Gloucester Road, who found his fortune in the discovery of fresh herbs, spices and botanicals which he imported back to Great Britain.*

*On these long voyages he would blend what he had discovered with the sailor's rum or with his preferred choice Gin, to make a passable cocktail to serve to the Captain's table.*

*He had a reputation for being a lover of the finer things that life had to offer whilst globetrotting.*

*He fell in love with Singapore and continued to trade within the empire, whilst contemplating his success over a Sling.*
