It was these optimal conditions where he was enticed to grow amazing Chardonnay and Pinot Noir fruit to make wines of purity and finesse.

Since 2003 Giant Steps wines have collectively been awarded 34 trophies and over 100 gold medals at major international and domestic wine shows and has been named one of the Top 100 Wineries in the World by Wine & Spirits Magazine, US for each of the last six years

Zenkuro Sake

“Our team have spent most of their lives with some connection to the land where sake comes from: Japan. They have a passion to share their appreciation of not only Japan, but also the place that they call home, Queenstown, New Zealand.

Our sake is an expression of the surroundings and the water sourced from the pristine mountains and lakes around our home.”
