## New Zealand Local Suppliers & Affiliates

---

We work closely with passionate local producers to inspire and excite our team, welcome new seasons and new to the market produce. Supporting small local boutique producers who are as passionate as we are about what we do at our place.

We want everyone to be as proud as we are about New Zealand's environment, the land and seas bounty, and the amazing people who grow and harvest from it. Our goal is to take our manuhiri (guests) on a journey and experience dining in a relaxed warm environment.
